Uitrusting

Looking for the ultimate business limousine or the perfect executive car?

This Belgian Mercedes-Benz S-Class AMG Line (Long wheelbase) combines sporty elegance with a luxurious interior where maximum seating comfort is paramount.

The deep black paintwork, combined with numerous chrome accents, gives the car a timeless, classy appearance.

In addition to an impressive list of advanced comfort options for both driver and passengers, this S-Class distinguishes itself with a full PPF (Paint Protection Film) paint protection film.

Both the entire exterior and the vulnerable interior parts are thus optimally protected against scratches and stone chips.
